****Additional Entrée or Vegetables Available at Additional Cost****

****Cost is based per person. Delivery, Tax & Gratuity not included in price of menu****

Due to circumstances beyond our control regarding inflation and current supply chain disruptions, the restaurant/catering industry has had to deal with frequent food pricing fluctuation and supply issues. This has caused frequent price increases with our supply vendors. As a result you may experience a slight difference in pricing. We're doing everything we can to keep our food costs as low as possible, during these challenging times, while still maintaining our food quality everyone loves.

We appreciate your support during these time!
